Making a Difference

To date, 1,444 women are known to have changed their minds from abortion and have chosen life for their babies!

"I love the fact that you are believers and don't judge, but insist on helping and loving the way God intends for us to do."

-- Elonia, pregnancy test client, July '10

Twenty-eight years of ministry have brought over 21,000 women & men through our doors for a range of free services, including pregnancy tests, counseling, STD-HIV testing, Life Sense educational classes, abstinence-until-marriage workshops, material assistance, post abortion Bible studies & counseling, and Window-into-the-Womb ultrasounds.

"My visit made me feel that I could be a great mom to this child, as I am with my 8 year old."

—Robyn, ultrasound client, June '10

The funds raised at the Walk & Run for Life make it possible to provide thousands of free services and opportunities to share the Gospel in both offices, Bowie and Severna Park.

Over 70 Christian women and men from various local churches have served on the mission field at the Pregnancy Clinics.

"Faith is the assurance of things hoped for, the evidence of things unseen...I am amazed at what I do at the clinic, because it's not me doing it -- it's God!"

--Kitty Serio, Veteran Volunteer
