

Got Change for Life?

Why Not Conduct a Baby Bottle Campaign?

What is the Baby Bottle Campaign? It is an easy and fun way for churches, families and small groups to donate their spare change to the Pregnancy Clinic ministry. This time can be used to teach young and old about the pre-born and about extending mercy to women during an unplanned pregnancy. We take care of the details for you and deliver the bottles to you.

What is the church's responsibility? The church places the bottles out for pick up. We will provide a bassinette or other container to put them in for easy pick up. An announcement is made from the pulpit to encourage people to take a bottle home and begin filling it up. The date of return is determined and announced.

How does it work? Take a bottle home, fill it with spare change, (checks, and paper are also welcome!) and return the bottle to the appointed spot on the appointed day!

Here is what spare change can do:

| | |
|--------|-------------------------------|
| \$1.70 | 1 Pregnancy Test |
| \$ 15 | Emergency formula for 2 weeks |
| \$ 25 | 10 Bibles for clients |
| \$ 100 | 2 Abstinence Presentations |
| \$ 200 | 1 Life Affirming Sonogram |
