Through Work Place Campaigns

Join local businesses like Dynasplint Systems, Inc. of Anne Arundel County, and BB & T Branch office in Prince Georges County, which have made it their business to give back to the communities where they are located. **Workplace Baby Bottle Campaigns** raise much needed funds to help the non government agency provide services at no cost to the client. It's easy as 1-2-3 to conduct a **Workplace Baby Bottle Campaign**. It's fun, and tax deductible too!

- 1 We provide the bottles and deliver them for easy pick up by employees
- 2 Bottles are taken home, filled with spare change, bills, checks & brought back
- 3 We pick them up, take to the bank and present the business with a framed certificate with the amount that was raised!
